General

- Lisa spent the first 14 years of her career in the corporate sector. First, she was a corporate bank trainer and then she moved on to hotel trainer and manager. When this real estate opportunity arose, Lisa embraced this new challenge.
- Lisa has been with Coldwell Banker, Lincoln Park Plaza, since April 2000. She specializes in all areas of Chicago. Over the past six years, Lisa's business has evolved to become nearly 100 percent referrals and repeat clients. "I am excited that I forged great relationships with my clients. Furthermore, I am thrilled to have found a career that still excites me everyday!" Her success is largely due to Lisa's basic philosophy of being committed to her clients by providing a great experience from the start of the transaction to the close of the transaction!
- Lisa's hard work and dedication has earned her a rating within the top 17 percent of Coldwell Banker nationwide. Her success in the real estate industry has afforded her the opportunity of becoming an investor. Adding these personal experiences helps Lisa's business because she can personally advise all of her clients from first-time home buyers to seasoned veterans. "When my clients want to buy or sell real estate, I am proud to be the professional they continue to choose!"
- Lisa was an integral part of her neighborhood redevelopment. During her six years involvement she served as both President and the Director of Membership. "I believe that if you want to improve the standards in your community you have to get involved!" Since the block club's inception, it has grown to be the largest in Uptown.
- When Lisa is not working, she enjoys volunteering and traveling. For over six years she has volunteered at PAWS, a no-kill animal shelter. Since that time her own home has become livelier with its own menagerie of four legged friends.
- Lisa has always enjoyed traveling! Some of her recent trips have been to Machu Pichu and the rainforest in Peru, Sweden and Denmark. She has not planned her next trip, but she knows that it will be an adventure.
