I believe it is the responsibility of the agent to represent his clients interests only.

General

- I have bought and sold condos, single family and multiple unit buildings of my own since 1981.
- I have represented investors, first time buyers, renters, friends, relatives, and mostly referrals.
- I believe I should work with everyone as I wish to be worked with. Honestly.
- I feel complete disclosure is a necessity.
- I hope to remember I am dealing with another's financial, social, and emotional life.

Credentials

- I have been a licensed realtor for 4 + years at the best and largest office in the city.

Qualifications

- I have volunteered with a number of difficult not for profit organizations. Mostly crisis intervention for nearly 20 years.
- I have been in Sale for over 20 years.
- If I don't have the answer I will find it.

Specialties

- I believe in getting to the point and not wasting time.

Expertise

- I specialize in Chicago and the Chicagoland area.
- I have sold studio condos to 34 unit residential buildings.

Awards

- Happy and satisfied clients are the only award that means anything.
