Stunning describes this elegant one owner, custom built home located on a quiet cul de sac with a private 120ft wide lot backing on Millcreek Ravine. The gourmet kitchen has a centre island, a dining and hearth area with a two sided gas fireplace and window seat. The living room overlooks the beautifully landscaped garden. French doors lead to the formal dining room and the library/den offers privacy. The curved staircase leads to the magnificent master bedroom retreat. Enjoy the view of the back garden and ravine from the full height windows; it will take your breath away. A huge walk-in closet and luxurious ensuite complete this room. Art niches and angled walls make this a distinctive home that is unlike any other. The lower level, developed a year ago, boasts a huge bedroom/nanny suite with a 4 piece ensuite. The garden has a beautiful gazebo, a water fountain and an entertaining size deck.
