Four Seasons Estate is being offered with 38 acres, 2800 ft of frontage on Crane Lake, a grand 4 bedroom, 4 bath home accented with turn of the century oak woodwork, porcelain flooring, 9 ft ceilings and an attached insulated & heated 3 car garage. The formal dining room has a crystal chandelier, oak china hutch and wooden pillars. The formal living room is next with wooden pillars, marble gas fireplace, canopied ceiling, and the lake view. The kitchen features oak cabinets accented with leaded glass & quartz countertops. The dining area has a fieldstone fireplace, double sided TV cabinet and patio door leading to lakeside deck. The master bedroom suite with private bathroom is lakeside. Main floor laundry and a lakeside bedroom complete the main level. The lower level has 2 more bedrooms lakeside, kitchen, family room with wood burning fireplace, 2 bathrooms and laundry room. This home was built with great attention to detail and quality.
